

The Covenant Mission Task Force

needs your help during

SEPTEMBER SURVEY MONTH

The Task Force has developed a series of three surveys based on the congregational conversations we've shared throughout the summer. Each Sunday in September, a survey regarding different aspects of the church and congregation will be highlighted:

9/11 – Congregational Culture

9/18 – Programs and Services

9/25 – Pastor and Facilities

We encourage **ALL** members of the congregation to give us their responses to each of these surveys.

To take the survey, simply visit the church website:

www.covenantwichita.org

where you will find a link to the survey.

We hope to have some computers available at the church on Sunday mornings that members can use to complete the surveys. We will have some paper copies of the survey for any individuals who are unable to complete the on-line version. If you need a paper copy, please see any one of the Task Force members (Alan Metzger, Roger Sackreiter, Ann Egelhof, Teri Lewis, Mary Goodwin, Dave Almes, Allison Sandate, or Deanne Newland) or contact the office.

We'd like all surveys to be answered by World Communion Sunday on October 2nd.

Thank you
